

Instructions

1. Print the template on A4 or A3 size paper (preferably heavy weight)
2. Cut-out the black and white sections as one piece
3. Fold along the middle line
4. Place a long, thin stick / skewer / tent peg inside the fold and secure using selotape
5. Glue the edges of the paper together
6. Plant proudly outside your tent and send us a photo using #WildNightOut2019
